

LITERATURE AND SAMPLE LIST

1. LITERATURE

Literature outlining requirements, general specifications & project specific requirements available with tender document:

LOT	Description	Reference
LOT A	Specifications and literature for primer / finish paints and lock.	Section 4 Terms of Reference, BOQ & Drawings
LOT B	Specifications, literature and warranties with references to colours where specified.	Section 4 Terms of Reference, BOQ & Drawings
LOT C	Specifications, literature and warranties with references to colours where specified.	Section 4 Terms of Reference, BOQ & Drawings

Bidders are requested to submit the literature for the respective lot/s where a bid is being proposed.

It is very important that prospective bidders submit **ALL** the technical literature regarding **ALL** the items to be offered as identified in the table above. All literature is to be clearly labelled showing proposed model numbers cross referenced to the individual items in the Financial Plan (where applicable).

2. SAMPLES

List of samples, specifications or warranties to be submitted with the tender:

Lot	Description	Reference
Lot A	Sample Required to procure an assembled representative of the main elements in galvanized finish including, glass type, detail for fixity of glazed panels, sample latch, sample hinge as well as wind gaskets.	Section 4 Terms of Reference, BOQ & Drawings
Lot B	Contractors optional samples	Section 4 Terms of Reference, BOQ & Drawings
Lot C	Contractors optional samples	Section 4 Terms of Reference, BOQ & Drawings

Bidders are requested to submit the samples for the respective lot/s where a bid is being proposed.

All samples shall be supplied by the Contractor at his own cost if the supply thereof is clearly intended by or provided for in the Contract. Samples and technical details as listed below shall be submitted by the Contractor for approval. All samples and submissions shall be labelled clearly, with the name of the sub-contractor, supplier and manufacturer, as applicable, and the reference as per list below. No work shall be carried out in connection with the list below, unless the necessary approvals of the submittals have been received. Approved samples shall be used as controls for the Works. All samples will be returned on request after the adjudication process has been completed, and that these can be picked up at Rabat from Priory.
